PUBLIC WORKSHOP PRESENTATION OF DRAFT UPDATES PLAN OF CONSERVATION AND DEVELOPMENT

Please join the Ellington Planning and Zoning Commission, Plan of Conservation and Development Update Committee, Planning Staff, and Goman - York for a

***Presentation of Draft Updates to Ellington's POCD
Monday, April 29, 2019, 7:00 PM
Ellington High School Cafeteria, 37 Maple St, Ellington***

Over the past year, local efforts have been underway to draft updates to Ellington's Plan of Conservation and Development (hereinafter Plan or POCD). The Plan guides land use, development patterns, preservation strategies, and capital investments for infrastructure and community facilities for the next decade. The update process analyzes where we are today, where we want to be in the future, and identifies strategies for realizing Plan recommendations.

To date, updates to the POCD considered comments from two public informational meetings, responses to a community survey, dialogue from routine public meetings of the POCD Update Committee and comments from various town departments and boards. After more than a year of dedication, draft updates are ready to be presented for further public engagement prior to being finalized and submitted for formal adoption.

Meeting agendas, minutes, and working reports of the POCD Update Committee can be found at: www.ellington-ct.gov/AgendaCenter or by contacting the Ellington Planning Departmental at:
