Request for Qualifications and Proposals Town of Ellington

The Town of Ellington, through its Office of the Selectmen, is planning to apply for funds from the Community Development Block Grant (CDBG) Small Cities Program. The Town seeks qualifications and proposals from firms or individuals to prepare (a) Small Cities grant application(s) for submission to the Connecticut Department of Economic and Community Development (DECD) for Federal Fiscal Year 2010 and to implement such grant(s) as may be awarded. Currently, the Town foresees submitting a Small Cities Program grant application to continue its regional housing rehabilitation program; such funds would be used to provide financing assistance to qualifying residential property owners throughout the town and to provide grant operating and administration funds. Other activities that may be considered are other housing activities, community facilities, public/social services, economic development and planning.

Interested consultants may obtain a copy of the Request for Qualifications and Proposals by contacting the Ellington Selectmen's Office (860) 870-3100. Proposals must be received by the Ellington Selectmen's Office no later than Wednesday, April 14, 2010 at 3:30 p.m. in the form specified in Town's RFP. The Town of Ellington is an EEO/AA Employer.
