

## Department of Public Works

### Notice of Road Work

Ellington DPW thru our contractor Highway Rehab. Corp., will be performing hot in-place asphalt recycling on Frog Hollow Road today, Monday and Tuesday. This operation will reheat the existing asphalt, add in emulsion to enhance asphalt and profile of the Road. Traffic will be detoured from Frog Hollow at Main to Middle to Abbott. Emergency vehicles will be allow to travel as needed. After the roadway is recycled a double chip seal will be applied the week of the 18<sup>th</sup> to preserve the pavement. As the work proceed the traffic will be detoured from Abbott back to Middle or Crane roads.

Timothy M. Webb
