

# GENERAL REQUIREMENTS/SPECIFICATIONS

## FERTILIZATION OF TOWN AND BOARD OF EDUCATION TURF AREAS

The Town of Ellington, Department of Public Works is soliciting bids for the application of fertilizer and lime treatment to the Town and Board of Education turf areas as directed by the Director of Public Works and in accordance to soil sample results. Soil samples must be taken in the spring of each year to determine the application rates and amounts.

The undersigned proposes to furnish all labor, material and services required to complete the work specified below in accordance with this document, and under the terms and conditions hereafter set forth and as directed by the Town.

### 1) CRITERA FOR BID ACCEPTANCE:

Have the adequate technical and financial resources for performance or have ability to obtain such resources as required during performance.

Have the necessary experience, organization and technical skill in the field of turf management and care

Have a satisfactory record of performance in maintenance and care of turf both athletic and recreational.

State Applicators License for pesticide

The contractor shall own and operate their own equipment for the application of the recommended fertilizer and lime to the turf areas.
